Dear Sir,

Tiger Logistics (India) Limited (The Company) had filed an appeal against the Order passed by Additional Commissioner, Customs, Mundra in which adjudicating authority had imposed penalties of Rs. 20 Lacs U/s 114(i) and U/s 114AA of the customs Act 1962.

The appeal has been rejected by the appellate authorities with the reason “Any Contention based on the issue not covered by the SCN has no relevance insofar as the present appeal is concerned.”

The Company will now file an appeal before the CESTAT, Ahmedabad against the order and is hopeful to get a favourable order as in similar cases many other aggrieved parties has received order in their favour.

Request you to kindly take note of the same.
