Tiger Logistics Celebrates “Great Place To Work” Certification, Emphasizes Commitment to Employee Well-being

22nd July 2024, New Delhi – Tiger Logistics (India) Limited, a BSE-listed International logistics company, proudly announces its certification as a Great Place To Work® in India for the period July 2024 to July 2025. Following a rigorous evaluation by the Great Place to Work Institute, 96% of our employees rated Tiger Logistics as an excellent workplace, highlighting our strengths in diversity, fairness, pride, inclusivity, and credible management.

With a strong footprint in key Indian cities like Delhi, Mumbai, Bangalore, and Chennai, as well as strategic locations near major ports, Tiger Logistics is rapidly emerging as one of India’s most trusted and diversified international logistics companies. Our services encompass ocean and air freight, defence and project logistics, customs clearance, and transportation solutions. Additionally, we have introduced FreightJar, our proprietary digital platform for streamlined freight booking and management.

Mr. Harpreet Singh Malhotra, CMD of Tiger Logistics (India) Limited, celebrated the coveted recognition of a strong culture, and said, “We are honoured to have achieved the distinction of being a Great Place To Work. This recognition is a testament to the exceptional work culture and environment we have cultivated at Tiger Logistics. I extend my heartfelt gratitude to all our team members, many of whom have been with us for decades, for their dedication and contributions to shaping our company into a leader in the industry.

The trust and confidence that shareholders place in Tiger Logistics inspire us to continually innovate and strive for excellence. Together, we remain steadfast in our commitment to sustaining our growth trajectory and delivering significant value. Thank you for being integral to our success and for sharing in our vision for the future.”

About Tiger Logistics (India) Limited (BSE:536264):

Tiger Logistics India Limited is a Bombay Stock Exchange-listed leading international logistics company and solutions provider, covering freight forwarding (air & ocean), defence & project logistics, transportation, and customs clearance. The company also launched its proprietary freight booking and management platform in 2023 to bring accessibility to competitive freight rates for SMEs/MSMEs and seamlessness to the freight booking and management journey. With a strong presence across the world, Tiger Logistics boasts over 24 years of experience in the automotive, engineering, yarns, textiles, pharmaceutical, commodities, FMCG industries, among others.

Founded in the year 2000 in response to a need for a reliable, high-principled player in the Indian logistics scenario and a goal to be a one-stop shop for international logistics, Tiger Logistics works with agents & partners across the board to deliver reliable, efficient, and timely cargo movement around the world. With an asset-light model and one-stop solution to customers for international trades, Tiger Logistics carves tailored solutions for its customers to manage their end-to-end logistics requirements, with cost innovation and personalized service at its core by working as a logistics partner instead of just a vendor.
