Tiger Logistics Strengthens Position with Renewed Government Partnerships for International Freight Handling

28th November 2024, New Delhi – Tiger Logistics (India) Limited, a BSE-listed pioneer in global logistics services, is delighted to share that three prominent Public Sector Undertakings (PSUs) — Bharat Heavy Electricals Limited (BHEL), Bharat Earth Movers Limited (BEML), and Bank Note Paper Mill India Limited (BNPLIPL) — have reinforced their confidence in the company by empanelling and renewing their agreements. These renewed partnerships underscore the PSUs' reliance and trust on Tiger Logistics for efficient logistics handling and freight forwarding for both sea and air cargo, spanning exports and imports.

Earlier this year, the company achieved a significant milestone by securing a warehousing services deal with BHEL and completing vital logistics assignments for the Airports Authority of India (AAI) and Hindustan Aeronautics Limited (HAL). These accomplishments reflect the firm's expanding influence in the government sector. Tiger Logistics regards collaborations with public entities and PSUs as a key pillar of its strategic initiatives, leveraging its proficiency in managing intricate global shipments for critical needs.

Key Highlights:

- ◆ **Renewed Partnership Reflecting Trust:** BHEL, BEML, and BNPLIPL have extended their contracts with Tiger Logistics, entrusting the company with customs clearance and forwarding services for ocean freight and air cargo.
- ◆ **Strategic Growth Focus:** The company has identified government and PSU projects as strategic growth areas, leveraging its expertise to handle critical and sensitive logistics operations.
- ◆ **Expansion of Government Portfolio:** Recent successes include a warehousing services contract from BHEL and major logistics projects from AAI and HAL, further strengthening the company's presence in the government and PSU sectors.
- ◆ **Long-term Vision:** By focusing on high-potential sectors like defence, aerospace, and renewable energy, Tiger Logistics is driving its growth and diversifying its market reach.

Mr. Harpreet Singh Malhotra, CMD of Tiger Logistics (India) Limited, expressed gratitude for this achievement, stating, "Being empanelled by esteemed institutions like BHEL, BEML, and BNPLIPL highlights our position as a trusted name in international logistics. These renewed agreements not only affirm our leadership but also reflect the strong partnerships we have cultivated over the years. This development marks a pivotal step forward for Tiger Logistics, solidifying its reputation as a dependable partner for large-scale and critical public-sector operations

Our commitment remains steadfast toward PSU projects and high-growth areas like defence and renewable energy. We aim to deliver dependable, forward-thinking solutions tailored to the evolving needs of these sectors. This milestone showcases our capability to handle challenging operations while adding value for stakeholders. We deeply appreciate the trust and support from our partners as we strive for a brighter and more successful future."
