

**Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

To,  
The Board of Directors,  
Tiger Logistics (India) Limited.  
D-174, GF. Okhla Industrial Area, Phase -1, New Delhi-110020.

1. We have reviewed the accompanying statement of unaudited Standalone financial results of Tiger Logistics (India) Limited for the quarter ended September 30, 2020 and year to date from April 01, 2020 to September 30, 2020 (the "Statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations, 2015) as amended, Attention is drawn to the fact that the Statement of cash flows for the corresponding period from April 01, 2019 to September 30, 2019, as reported in these unaudited standalone financial results have been approved by Board of Directors of the Company, but have not been subjected to our review.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We draw attention to Note to the financial results, which describes the extent to which COVID-19 Pandemic may impact the results which depend on future developments that are uncertain. Our conclusion is not modified in respect of this matter.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principals laid down in the applicable Indian accounting standards specified under Section 133 of the Companies Act, 2013, as amended read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Notes**

- The Financial results are prepared in accordance with the companies (Indian accounting standards) rules, 2015 (Ind AS) (amended) as prescribed under section 133 of the companies act, 2013 and other recognised accounting practices and policies, as applicable. The company does not have more than one segment eligible for reporting.
  - The Statement of Unaudited Financial results for the quarter and half year ended September 30th, 2020 has been reviewed by the audit Committee and approved by board of directors at their respective meetings held on November 12, 2020. The Statutory Auditor have conducted audit of the financial statements and have expressed an unqualified report on these financial results.
  - The figures for the comparative quarter and half year, are the balancing figures between audited figures in respect of full financial year and the published year to date figures. The certificate of CFO and CEO (MD) in terms of Regulation 33 of SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015 in respect of the above results has been placed before the Board of Directors.
- Impact of COVID 19 pandemic:**
- The outbreak of novel Coronavirus (COVID-19) pandemic and the consequent lockdown restrictions imposed by the central and state governments has caused significant disturbance and slowdown of economic activity in India and across the globe in the first quarter but second quarter was also impacted due to it. The Company has taken proactive measures to comply with various regulations/guidelines issued by the Government and local bodies to ensure safety of its workforce and the society in general. Management believes that it has taken into account all the known impacts arising from COVID 19 pandemic in the preparation of the financial results. As per the current assessment, other than the impairment recorded, no significant impact on carrying amounts of assets is expected, and management continue to monitor changes in future economic conditions. However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The eventual outcome of the impact of the COVID 19 pandemic on the Company's business may be different from that estimated as on the date of approval of these financial results. Other Details related to the impact of COVID on your company is uploaded at BSE on 02-06-2020 (14:24:40) kindly refer the same.
  - The global supply chain has been devastated due to Covid -19 pandemic. Most of the countries have been in almost complete lock down mode since February 2020. All international trade has been badly hit due to closure of ports/airports/ banks and complete shortage of working staff / manpower. This has resulted in major pendency of cargo at all ports and airports and further resulted in major loss in terms of detention and demurrage on most of the cargo shipments at different locations. Since your company had existing door to door contracts with different reputed companies so we had to bear losses in terms of detention and demurrage to complete or execute the contract.

- Impact of COVID 19 pandemic:**  
The outbreak of novel Coronavirus (COVID-19) pandemic and the consequent lockdown restrictions imposed by the central and state governments has caused significant disturbance and slowdown of economic activity in India and across the globe in the first quarter but second quarter was also impacted due to it. The Company has taken proactive measures to comply with various regulations/guidelines issued by the Government and local bodies to ensure safety of its workforce and the society in general. Management believes that it has taken into account all the known impacts arising from COVID 19 pandemic in the preparation of the financial results. As per the current assessment, other than the impairment recorded, no significant impact on carrying amounts of assets is expected, and management continue to monitor changes in future economic conditions. However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The eventual outcome of the impact of the COVID 19 pandemic on the Company's business may be different from that estimated as on the date of approval of these financial results.
- Other Details related to the Impact of COVID on your company is uploaded at BSE on 02-06-2020 (14:24:40) kindly refer the same.**  
The global supply chain has been devastated due to Covid-19 pandemic. Most of the countries have been in almost complete lock down mode since February 2020. All international trade has been badly hit due to closure of ports/airports/banks and complete shortage of working staff / manpower. This has resulted in major pendency of cargo at all ports and airports and further resulted in major loss in terms of detention and demurrage on most of the cargo shipments at different locations. Since your company had existing door to door contracts with different reputed companies so we had to bear losses in terms of detention and demurrage to complete or execute the contract.
